# IEPQ (International English Proficiency Qualification)

**ITA would like to start a project offering an International Proficiency English Qualifications.**

**The English Qualification level will be like IELTS or TOEIC. The Qualification will go online in January in Thailand for testing purpose and in the Philippines, Cambodia and some others countries for a wider testing purpose in February/March. We hope to be able to implement the qualification globally in June 2022.**

**The qualification will be available to educational institutions and to the ministry of educations. The English Test is for non-native English speakers. English is the most widely used language in the world today and is very important in many countries.**

**English proficiency testing has long been a high-stakes rite of passage for those looking to secure admissions to a top school abroad, get an international job, or land a promotion to the global C-suite.**

**Please join this project.**
