# Effectiveness of education policy for career education in primary and secondary schools.

Dr. Gulnaz Zahid has nearly ten years of experience in higher education of Pakistan. Her research interests revolve around higher education, internationalization, education policy, career education, and disability studies. She is voluntarily leading a research project with ITA to study effectiveness of education policy for career education in primary and secondary schools. Data for this study will be collected through the members and Ambassadors of ITA. Findings will provide a comparative review of education policies and strategies that commonly influence effectiveness of student outcomes in different contexts. Findings will be presented through the ITA website and will also be presented on various international forums.

If you like to join this project, please contact Dr. Gulnaz Zahid via email [gulnazzahid@hotmail.com](mailto:gulnazzahid@hotmail.com)

# Volunteering in Georgia

Sophi Kharebava

1h · 🌐

My friends from different countries, I have great news for you!  
I offer an excellent opportunity in Georgia

I have my own Education Center  
"Road To The Future " and I have been actively working with young people for several years.  
The center serves the development of young people, raising awareness, promoting employment.  
We have many projects, professional courses and we help young people in different directions.

At this stage, we would like to recruit volunteers from different countries to the center.  
Let them communicate with each other.

Various resources.  
Offer different courses, help in planning the courses, projects, give experience, recommendation  
and certificate.

## Georgia

Country

Georgia, a country at the intersection of Europe and Asia, is a former Soviet republic that's home to Caucasus Mountain villages and Black Sea beaches. It's famous for Vardzia, a sprawling cave monastery dating to the 12th century, and the ancient wine-growing region Kakheti. The capital, Tbilisi, is known for the diverse architecture and mazelike, cobblestone streets of its old town.
