volunteering/internship/practicum positions

ITA, via its partner Parada, is already offering volunteering/internship/practicums in Thailand but would like to extend this to other countries.

ITA likes to ask other schools or educational institutions if they need volunteers or interns.

The main support would be offered in teaching English to students/teachers or help schools in other related projects.

Some of the volunteers would have some teaching experience or in the process of obtaining an English Teacher qualification.

No salary is expected but if you could offer free accommodation with lunch, then this would be very much appreciated.

If you are able to offer a volunteer/internship/practicum position, then please contact Peter.

Here is the website from Parada about their volunteer/internship/practicum position,

www.volunteerparada.com

Special Educational Needs Diploma Course

ITA's partner Parada would like to offer an online SEN Diploma Course. This would be a paid joint venture project. Parada is already offering an online SEN certificate course. If you are interested to join, please talk to Peter
