Youtube Monetizing

- **Suitable Content:** YouTube can place a yellow dollar sign on videos that are deemed not suitable for all audiences. What this means is that videos with profanities, shocking content, misleading thumbnails, and controversial opinions won't be able to generate as much revenue because only a limited number of ads will be run on the channels.
- **Production + Optimization:** Youtubers successfully monetized YouTube channels by producing and optimizing audio and video well. YouTubers refine audio-video presentations.
- **YouTube Monetizing Rules:** Before monetizing an account, each channel must be reviewed to make sure it is following YouTube's monetization rules. Once a YouTuber has signed the YPP terms and connected an AdSense account, their channel automatically enters a review queue.
- **Youtube Monetizing Content:** YouTubers are probably familiar with creators making money off of ad revenue. The ad model (AdSense) is widely used by YouTube's parent company, Google, and it allows YouTubers to run ads either at the beginning or throughout points of a video.
- **Become an affiliate:** YouTubers often use to make money with their channel is by becoming an affiliate. The most popular affiliate program is Amazon's, and it allows you to post special links to products on Amazon and make money off of purchases.

IEPQ (International English Proficiency Qualification)

ITA would like to start a project offering an International English Qualifications for FREE. The English Qualification level will be like IELTS or TOEIC. The Qualification will go online in January in Thailand for testing purpose and in the Philippines, Cambodia and some others countries for a wider testing purpose in February/March. We hope to be able to implement the qualification globally in June 2022.

If anybody likes to be part of the testing period, then please talk to me.

The qualification will be available to educational institutions and to the ministry of educations.

The English Test is for non-native English speakers. English is the most widely used language in the world today and is very important in many countries.

English proficiency testing has long been a high-stakes rite of passage for those looking to secure admissions to a top school abroad, get an international job, or land a promotion to the global C-suite.

Please join this project.

New ITA website

We are going to change the web hosting provider from wix to webgo and will create a new designed ITA website.

The implementation/changes can take some weeks and maybe the ITA website is not visible for a few days. It will also include an ITA members login page. Partially sponsored by Mr. Mr. Olu John.

Sponsor

We would like to say “Thank you” to our sponsor Mr. Olu John, our Global Director of Events & Inclusion for sponsoring ITA.

He has sponsored 20 ITA Nomination Certificates and partially sponsored the new ITA Website.

*Thank
you*

volunteering/internship/practicum positions

ITA, via its partner Parada, is already offering volunteering/internship/practicums in Thailand but would like to extend this to other countries.

ITA likes to ask other schools or educational institutions if they need volunteers or interns. The main support would be offered in teaching English to students/teachers or help schools in other related projects.

Some of the volunteers would have some teaching experience or in the process of obtaining an English Teacher qualification.

No salary is expected but if you could offer free accommodation with lunch, then this would be very much appreciated.

If you are able to offer a volunteer/internship/practicum position, then please contact Peter.

Here is the website from Parada about their volunteer/internship/practicum position, www.volunteerparada.com

Using the ITA Title

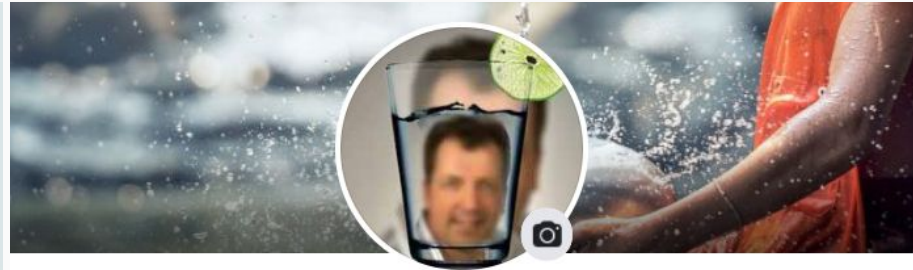

ITA would like you to use your ITA title e.g. ITA Ambassador etc on your social media accounts and whenever appropriate.
